Mr. J. Kilenyi,

New York.

Dear Mr. Kilenyi:-

We should very much like to have a copy of the medal recently designed by you for the National Electric Light Association. Mr. Weil, of the Medallic Art Company, informs me that he will gladly strike a copy for our Society if you will kindly give permission to have this done. If you feel that it is necessary to take this up with those for whom you have designed the medal, will you kindly do so and advise me of their decision. I feel sure we may count upon your good offices.

Very sincerely yours,

Secretary.

Dear Sir:

We have received from the Medallie Art Company an offer to strike copies of your Columbia University medals- Wendell and Van Amring for our Collection, if our Society can obtain your permission to have this done.

This procedure is followed with almost all the medals issued by the Medallie Art Company, and it is by such a method that we are keeping up our collection of medals by American artists.

We should, also, like to have a copy of Cherry Valley Club ; Dr. Harvey W. Wiley; Mayor Hylan; Thomas S. McCarter and Professor H.W.Titus medals under the same conditions; and I trust that this request will receive your favorable consideration.

Very truly yours,

Secretary.

Dear Mr. Kilenyi:

The Medallie Art Company has in previous years offered to present to our Museum, specimens of the medals issued during the past year, provided we can secure the consent of the artists who designed them. Among them are three of yours which we should very much like to have -

Hugo Riessenfeld
Shepherd Dog Club of America
The Studebaker Corporation

I trust we may count on your co-operation in making a representative display of the work which is being done by American sculptors.

Very truly yours,

Secretary

Dear Mr. Kilenyi:-

As has been their procedure for several years past, the Medallie Art Company have offered to strike for our collection examples of medals made by them during the past year, provided we can obtain the permission of the artist to have this done. Included in this offer are the John M. Diven Medal designed by you for the American Water Works Association and the Robert C. Wright Medal for the Pennsylvania Horticultural Society. If you do not feel you can authorize this action on the part of the Medallie Art Company, will you either obtain permission from those who are responsible for these medals or send me the names of the individuals to whom an application for having this done should be sent.

We shall appreciate your cooperation in this effort to have our collection of medals by American artists as nearly complete as it can be made.

Very cordially yours,

Secretary
